Ingredients:

Processed Grain By-Products, Grain Products, Forage Products, Plant Protein Products, Molasses Products, Roughage Products, Calcium Carbonate, Salt Ammonium Chloride, Calcium Lignin Sulfonate, Mineral Oil, Ferrous Sulfate, Vitamin A Supplement, Potassium Iodide, Vitamin D3 Supplement, Cobalt Carbonate, Manganous Oxide, Manganese Sulfate, Sodium Molybdate, Ethylenediamine Dihydriodide, Zinc Sulfate, Vitamin E Supplement, Copper Chloride, Sodium Selenite.

Feeding Directions: This product is to be fed to growing goats. Feed at 0.5 to 4 lbs per head daily along with adequate forage. This is not a complete feed. Maximum intake is 5.15 lbs per head per day. Always provide adequate amounts of fresh water.

CAUTION: Do NOT allow horses or other equines access to feeds containing Monensin. Ingestion of Monensin by equines has been fatal. Feeding undiluted or mixing errors resulting in high concentrations of Monensin has been fatal in cattle and could be fatal in goats. Monensin-medicated feed is intended for use in cattle and in goats. Consumption by unapproved species may result in toxic reactions. Do NOT feed to lactating goats.
