

2023

Fall Harvest Program

Free Storage for the first 14 days after delivery.

Please contact our local grain merchandiser with your storage preference prior to delivery. Open storage space may be limited.

Market leading opportunities for your profitability!

Aurora Cooperative offers Open Storage, Deferred Price Contracts, Futures Only Contracts, Basis Contracts, Cash Sales, and many others for the marketing of your grain.

- Grain delivered directly from the farm to another entity for the account of Aurora Cooperative will transfer ownership and beneficial interest when delivered (i.e., beans delivered to AGP-Hastings). Ownership of white corn passes from producer to Aurora Cooperative immediately upon delivery to either our elevator or direct delivery.
- Beneficial interest (title to the grain) passes to Aurora Cooperative when placed on Deferred Price Contracts, Basis Contracts or Priced Contracts.
- Customer represents that he or she has good title to grain delivered and authority to ship, store, and sell.
- Aurora Cooperative may commingle grain.
- Aurora Cooperative shall have a lien against grain stored for all storage, drying and handling charges. Delivery, handling, and storage of grain with Aurora Cooperative is subject to United States Warehouse Act and accompanying regulations.
- Drying, storage, and handling charges on Open Storage grain are due upon earlier of: (1) request by Aurora Cooperative, (2) the date of sale prior to transfer of title, or (3) removal of the grain from Open Storage.
- You must notify Aurora Cooperative Grain personnel to settle grain before payment or defer payment contracts will be issued.
- For Open Storage grain, all storage charges shall be paid before grain is sold or leaves Aurora Cooperative's facility without further demand by Aurora Cooperative.

All discounts apply on a per load basis.

Policies and discounts are subject to change without notice.
